

Carmichael Bistro & Tearoom

Welcome to the Bistro & Tearoom (est 2016)

All meals are prepared by the owner Steve, a full member of the Craft Guild of Chefs and he can adjust most menu items to accommodate any allergies or intolerances, please ask for details.

Although we are an independent business from the Carmichael Estate, we work very closely with them and are proud to serve the very best of their meats from right here on the Estate. All the Venison, Beef & Lamb are born and raised within the Estate and are cared for to the highest welfare standards, with the lamb and venison processed on the Estate to minimize food miles and alleviate unnecessary stress to the animals.

These meats are supplemented by the best of local produce including award winning Ramsay Ham, Bacon, Haggis and Black Pudding.

All meals are produced on the premises. If you have any specific dietary requirements, please ask to speak to the Chef who will be pleased to help.

All Vegetarian and Vegan options are produced using separate preparation and cooking equipment.

Many of the products used to cook your meal today are available in the Carmichael Farm Shop, why not visit on your way back to the carpark

Evening Tables available to pre-book

Also, Private Party Bookings Available

Please ask to speak to Jen or Steve for details

Please make your server aware of any allergies or intolerances you may have. Alternatives can be discussed with the Chef and we have a full Allergen list available for reference
